ISBN: 9-789525-972085

Publisher: Suomen sarjakuvaseura ry

Released in May 2013

Discover great new Nordic children's comics! *Dreambuddies* presents exciting new stories and enchanting comics characters from the pens of Finnish, Swedish, Norwegian and Estonian comic artists.

Features stories from: Mari Ahokoivu (FI), Anna Fiske (NO), Annika Giannini (SE), Aarni Korpela (FI), Ann-Christine Magnusson (SE), Reetta Niemensivu (FI), Joonas Sildre (EE) and Ana Udovic (SE).

Most of the children's comics currently published in the Nordic countries come from global franchises that originate from the US or Japan. Though the need for locally created stories has been acknowledged, there are still relatively few children's publications with cultural ties to Northern European life. The *Dreambuddies* anthology is proud to present the best contemporary children's comics to an international audience. The anthology is published by the Finnish Comics Society and supported by Nordic Culture Point.
